Angel Garcia Martinez

Event Photographer & Videographer | Photobooth Operations · Recap Reels · Photo and Video Editing

San Jose, CA · angelgm.tech@gmail.com · linkedin.com/in/angelgtech · instagram.com/addiesphotographs · Bilingual English / Spanish

SUMMARY

Event photographer, videographer and photobooth operator with 10 years of weddings, parties and community events for Addie's Photography. I take a shoot from setup to delivery: on-site coverage, instant photobooth sharing, Lightroom and Photoshop editing, and recap reels built in After Effects. I stay calm under event pressure after years of staffing large events at LinkedIn, Google and Stanford.

SKILLS

- **Photography:** events, weddings, portraits, candid and documentary, culling and batch editing, retouching, color grading, cataloging and metadata tagging
- **Video:** on-site shooting, Premiere Pro, After Effects, motion graphics, Instagram Reels and Stories (9:16), ffmpeg encoding
- **Photobooth:** setup and operation, instant delivery by QR code, text or email, Windows and Mac troubleshooting
- **Production:** shot lists and timelines, client communication, several projects at once, Canva, Google Workspace

EXPERIENCE

Co-owner & Lead Photographer · Addie's Photography · California · Jul 2016 – Present

- Shoot and edit weddings, parties and events end to end. Wedding packages cover 10 hours with a second photographer and deliver 200 retouched photos, a private gallery and prints.
- Run videography from equipment setup through on-site shooting to post-production in Premiere Pro and After Effects.
- Operate photobooths with instant sharing: guests scan a QR code or get their photos by text or email right after each shot.
- Cull, batch-edit, retouch and color-grade in Lightroom and Photoshop, with NAS and cloud backups of every gallery.

Founder & Creative Technologist · HIGHCLOUDSTUDIOS · San Jose, CA · 2025 – Present

- Turn photobooth prints into animated photo-wall recap reels: a 3D wall, a logo intro with a drone-style fly-through and featured close-ups, cut for 9:16 and 16:9.
- Delivered recaps for live events, including 7 cuts for one event, with phone copies under 30 MB and Reel captions ready to post.
- Scripted the pipeline in After Effects ExtendScript and ffmpeg so each new event starts from a folder of photos instead of a blank timeline.

Operations & Engagement Coordinator · Sunday Friends Foundation · San Jose, CA · Mar 2025 – Present

- Build and send the weekly Foto Friday photo story to 6,000+ email subscribers in Mailchimp and on social media: choose and crop event photos, work the text with the communications team, and get sign-off before anything goes out.
- Promote and document community events, such as a Trunk or Treat for 100+ families with 100+ volunteers, from the reminder email to the thank-you story.
- Edited and published the "Art is Community" video on YouTube, and update the Squarespace website with event pages and donation links.
- Coordinate logistics for workshops, classes and Community Days: scheduling, space, partners, materials and volunteers.

Hospitality Staff Coordinator · Servers On Demand · San Francisco Bay Area · 2009 – 2016

- Scheduled more than 300 culinary staff for catered events at venues including LinkedIn, Google and Stanford University.
- Drove trucks and coordinated catering deliveries across several venues at once.

Earlier: Event & Hospitality Staff (contract), Instawork (2023) · Program Coordinator, One Economy Corporation (2008–2010).

EDUCATION & AWARD

- Google IT Support Professional Certificate, Google / Coursera, Oct 2024
- General coursework, De Anza College, Cupertino, CA

- Lisa Y. Sullivan Award, One Economy Corporation, 2006: a $5,000 scholarship for youth who use technology to transform their communities
